

Original Purchaser

1 YEAR WARRANTY

Ace Line Hauler Fishing Products hereby extends to the original purchaser of the product listed on the attached warranty card, a 1 year warranty, against defective workmanship and/or material defects when used for lifting non commercial traps, the purpose intended, under normal conditions.

The warranty period commences upon the date the Line Hauler is purchased and terminates on the transfer of the product from the original purchaser or the completion of the 1 year, whichever comes first.

To obtain warranty service, the original purchaser must contact the factory service center listed below. A warranty "return for repair" form needs to be completed and returned to the factory service center, freight prepaid, together with a copy of this signed certificate. In the event of a defective or malfunctioning product or failure to conform with the written warranty, the warrantor will, at his discretion, either repair or replace the warranted product.

The warranty provided here is in lieu of all other express warranties. All other obligations or liabilities, including liabilities for consequential damages, are hereby executed.

Some states or provinces do not allow limitations on how long an implied warranty last or do not allow for the exclusion of limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.
